Summary

At Aequalis Software Solutions Pvt. Ltd., I improved efficiency by identifying critical bugs and executing automated test cases using Selenium, reducing testing time by 30%. At DevsIndia, I contributed to software quality through manual testing, identifying and resolving UI and functional bugs to enhance user experience and ensure smooth project delivery. My attention to detail and communication skills helped drive product quality and business success.

Work History

Quality Analyst Intern - Aequalis Software Solutions Pvt. Ltd.

NOV 2024 - present

Tech Stack – Functional Testing, Selenium,

- Identified bugs by analyzing functional and UI inconsistencies, ensuring timely resolution and enhancing User Experience.
- Executed automated test cases on functionalities using Selenium, significantly reducing testing time and improving efficiency.

Cloud Intern - Devsindia private limited

MAY 2024 - NOV 2024

Tech Stack – AWS, Functional Testing, Regression Testing, Scrum, Cross-Browser/Device Testing, S3, redshift

- Improved software quality by meticulously executing manual test cases and identifying defects.
- Enhanced product performance by conducting thorough regression testing on each release.
- Conducted a comprehensive review of billing structures, leading to the establishment of new cost-saving measures; achieved an 85% reduction in billing costs while maintaining service quality for over 200 clients.
- As a QA Engineer, designed and executed comprehensive test plans using a TMS, ensuring usability, UAT, and compliance with SLAs and project scope. Communicated test status, issues, and feedback effectively to stakeholders and software developers, contributing to quality assurance and continuous improvement. Utilized automation tools for efficient test execution and collaborated with engineers to align with design standards and project requirements.

Projects

Learning Management System (LMS) Testing (In DevsIndia)

Testing Types: Functional Testing, Regression Testing, Smoke Testing, Sanity Testing, Cross-Browser Testing, Mobile Testing

Key Contributions:

- Content Verification:** Verified learning content retrieval and display across modules, contributing to a 20% increase in user engagement.
- Notification Testing:** Ensured accurate notification delivery to users, which maintained high user satisfaction and prevented missed updates.
- Responsive Design Testing:** Tested responsive design across various devices and screen sizes, reducing user complaints by 30%.
- Led test planning and developed a comprehensive test plan to ensure quality assurance and validation for the application.** Communicated feedback effectively and leveraged automation tools to enhance processes, maintaining high standards throughout the project.

Other Projects are

- Ultra Scholar Portal
- Password Generator
- My Portfolio
- ABR Fitness
- Library Control System
- Stock Price Prediction

Skills

- Testing Tools:** Knowledge of JIRA, TestRail, Selenium, Test NG, Postman
- Testing Types:** Functional Testing, Regression Testing, Smoke Testing, Sanity Testing, API Testing
- Methodologies:** Agile, Waterfall, Scrum
- Cloud Services:** AWS, Oracle
- Web Technologies:** CSS, HTML
- Web Hosting:** GitHub Pages, WordPress
- Databases:** SQL, **Framework:** Bootstrap
- Design and Development Tools:** Adobe After Effects, Adobe Lightroom, Adobe Photoshop, Adobe Illustrator, Canva, Figma
- CS Fundamentals:** Computer Networks, Operating System, Database Management system
- Developer Tools:** Eclipse, VS Code, Git, GitHub, Android Studio
- Other:** TOR, VPN_

Education

- Centurion University of Technology and Management, Bhubaneswar, Odisha**
AUG/2020-MAY/2024
Bachelors of Technology
Computer Science and Engineering
- Aska Science College, Aska, Ganjam, Odisha** AUG/2018-MAR/2020
12th

Certifications

- AWS Certified Solutions Architect - Associate** - By Amazon Web Service (2023)
- AWS Certified Cloud Practitioner** - By Amazon Web Service (2023)
- Manual Testing-** BY UDEMY(2024)
- Oracle Cloud Infrastructure 2023 AI Certified Foundations Associate** - By Oracle (2024)
- Oracle Cloud Data Management 2023 Certified Foundations Associate** - By Oracle (2024)
- Project Management Foundations Associate** - By Oracle (2024)
- Oracle Cloud Infrastructure 2023 Certified Foundations Associate** - By Oracle (2024)
- Java From Codetantra** (2024)
